

A technical line drawing of an engine cylinder head assembly. The drawing shows various components including the cylinder head, a knock sensor, and associated mounting hardware. A leader line points from the text 'KNOCK SENSOR 12A699' to the sensor's location on the cylinder head. Another leader line points from the text 'CYLINDER HEAD 6049' to the main body of the cylinder head. The drawing uses standard engineering conventions, including hatching for different materials and various types of fasteners like bolts and nuts.

**KNOCK SENSOR**  
**12A699**

**CYLINDER HEAD**  
**6049**
